Ismi Asri. Feminism Issues in Anne with an E Netflix Series. An Undergraduate Thesis. English Department. Faculty of Letters and Cultures. Gunadarma University. Depok. 2021. Advisor : Dr. Agung Prasetyo Wibowo, S.S., M.Sas.

(xi+187+lampiran)

The word feminism comes from the Latin word "femina" that can be translated into woman. This movement began to roll in the 1880s and it refers to the theory of equality of men and women and the movement is intended to obtain women's rights (Djajanegara, 2003, p. 35). Through this research, the researcher is going to analyze feminism issues in Anne with an E Netflix series.

The problems of the research are to identify kind of feminism issues and kind of reactions of the characters towards feminism issues that depicted in Anne with an E Netflix series from season 1, 2 and 3.

The researcher used qualitative method to analyze this research. This research used Anne with an E series as source of the data. The data are taken from the actions and statements of the characters in Anne with an E series that appropriate with the theory used in this research. The researcher used Rosemarie Tong theory to analyze this research.

The result of the research showed that there are 6 feminism issues that found in Anne with an E series, those are liberal feminism, radical feminism, Marxist and socialist feminism, multicultural feminism and ecofeminism. There are also 8 kind of reactions of the characters that found in this research, such as protest, declare, discussion, run away, negotiate, rejection, invite and no reaction.

Keyword : *Anne with an E, feminism issues, Rosemarie Tong.*
