Representation Of Investigative Journalism In Series Inventing Anna.

Keywords: Representation, Investigative Journalism, Series.

(xiii + 139 + Attachments)

This study examines the Inventing Anna series, which was adapted from a New York Magazine article entitled 'How Anna Delvey Tricked New York's Party People' by Jessica Pressler. The Netflix series Inventing Anna, released on February 11, 2022, tells the story of a journalist who investigates the case of Anna Sorokin or Anna Delvey, a young woman who pretends to be a wealthy German heiress and scams people from the elite in New York into hundreds of thousands of dollars. United States by becoming a legendary socialite on Instagram. This study shows the representation of investigative journalism in the Inventing Anna series. The purpose of this study is to identify and describe investigative journalism in the Inventing Anna series. The theory used in this research is the theory of investigative journalism of Dandhy Dwi Laksono which can show the five elements of investigative journalism. The researcher also uses Stuart Hall's Representation theory in this study. The research approach uses a descriptive qualitative approach with a constructivism paradigm. Data collection techniques using observation, documentation and interviews for data validity. The results of this study indicate that the representation of the meaning of investigative journalism in the Inventing Anna series is related to the five elements of investigative journalism by Dandhy Dwi Laksono represented in the Inventing Anna series.
